A. Warrant # 15

- 1) Selectmen reviewed and approved the proposed contract from Quality Services for the 2012 mowing season. Mike Trask of Quality Services mentioned that the Veteran's Memorial garden at the Meetinghouse needed to be mulched this year and RC Verney offered to dump off some mulch so Selectman David Abbot could spread it around.
- 2) Selectman had a few housekeeping items including signing the Lincoln County Tax commitment and an update from Jeff Verney about moving the sand in the Salt Shed for Dale Warner to apply the interior treatment. Selectman Villeneuve mentioned that the grant application was nearly done for the CONNECTME program, but he needed some examples of past public/private partnerships that occurred in Town.
- 3) Selectman Abbott brought up the possible impact on Alna of Wiscasset withdrawing from the SVRSU #12. He said one of the issues would be transportation to and from Wiscasset schools by the RSU if Wiscasset was no longer part of the RSU. He said he just wanted to start thinking ahead about possible impacts it would have on Alna.
